

StyleLite® Customer Care Guide

Congratulations on purchasing your high-quality StyleLite® products. Here are some handy hints to help with care and maintenance.

SURFACE HARDENING AND STATIC REMOVAL

The StyleLite high gloss and matte surface becomes more scratch resistant over the first few days after the removal of the peel coat.

This process can be accelerated significantly by lightly polishing the StyleLite surface immediately after the peel coat is removed using Novus No. 1, Vuplex or Plexus plastic polish with a clean microfibre cloth.

When the peel coat is initially removed, dust is attracted to StyleLite due to the build-up of static electricity. The static can be removed by wiping down the surface using Novus No. 1, Vuplex or Plexus plastic polish with a clean microfibre cloth.

CLEANING DO'S AND DON'TS

DO

- ✓ Clean wet microfibre cloth
- ✓ Clean wet chamois
- ✓ Novus No. 1 polish used weekly
- ✓ Non abrasive soap and detergent
- ✓ Warm water

DON'T

- ✗ Paper towel
- ✗ Dry wipe
- ✗ Brushes, scourers or scrapers
- ✗ Abrasive cleaners
- ✗ Thinners or Methylated Spirits

GENERAL CLEANING

Apply Novus No. 1, Vuplex or Plexus plastic polish, non-abrasive cleaning fluid (eg. glass cleaner) or warm soapy water and wipe using a clean microfibre, soft cloth or damp chamois.

REMOVING MARKS & LIGHT SCRATCHES

Only applicable for StyleLite Gloss. Do not use for StyleLite Velvet. Apply Novus No. 2 or a good quality liquid polish (eg. liquid car polish) and using a damp, clean microfibre or soft cloth, polish in a circular pattern. Then remove polish using General Cleaning procedure above.

REMOVING HEAVIER SCRATCHES

Apply Novus No. 3 or a good quality fine compound polish and using a damp, clean microfibre or soft cloth, polish in back and forth motion at right angles to visible scratches. Then use Removing Marks procedure, followed by the General Cleaning procedure above.

Ensure all polish residues are removed completely from the StyleLite surface.

Low speed electric buffing can also be used to repair marks and scratches.
